Cell Phone/Electronic Devices Contract

Dear Parent and/or Guardian,

In an effort to promote the appropriate use of technology while keeping the integrity of classroom instruction, the A.M. Winn cell phone policy prohibits the use of cell phones during the school day. This means cell phones must be **turned off** and placed in the student's backpack. Do not allow students to bring other digital devices, including but not limited to, MP3 players and handheld video games. Phones may not be used outside of the classroom during instructional time. For example, recess, lunch, restroom breaks, library, or any other location outside of the classroom.

Classroom teachers or staff members will confiscate cell phones and other digital devices that are used, or are visible.

- **First Offense:** Student may pick up the phone after school.
- **Second Offense:** Parent must come to school to collect the phone from the front office.
- **Third Offense:** Student will no longer be allowed to bring a cell phone to school

Due to the evolving nature of emerging technology, additional rules and regulations may be added throughout the school year.

My parent/guardian and I agree to be responsible in the use of cell phones.
